

Crisis Management Plans

It is at this point that various crisis plans need to be in place.

Previous interventions may have already necessitated the development of such plans as:

- Risk Assessment Plans;
- Individual Education Plans;
- Behaviour Support Plans;
- Health Care Plans;
- Attendance Plans;
- Transition Plans;

Crisis Management Plans are used in the case of aggressive or unsafe behaviours which may occur despite proactive plans/supports and strategies having been implemented. They look at how to manage extreme behaviour while ensuring the safety, health and welfare of all students and staff.
